## **Children's centres**

Children's centres are fantastic places for parents and children under five to meet people and find support. They can provide many different services and activities for parents and children, such as:

- stay and play, family support, parenting workshops and drop ins
- health services and advice including support before and after the birth of a baby, for example speech and language therapy, midwifery support and nutrition advice
- outreach and home visiting to isolated families
- learning opportunities for parents and advice on employment
- childminding support groups
- information and advice including benefits information
- support for children with additional needs
- some Lambeth children's centres offer birth registration appointments

# Free early learning

## Free early learning for 3 and 4 year olds

**Early learning gives children the best start in life. Through learning and playing with other children in a safe and structured environment, they'll have a head start when they begin school.**

From the term after your child's third birthday, they can have a free nursery place which continues until they go to school. They are entitled to up to 570 hours per year, up to 15 hours a week over a minimum of 38 weeks per year.

Free early learning is available at various settings including nursery and reception classes in maintained schools, nursery schools, pre-school groups, private nurseries, voluntary sector nurseries, academies, independent schools and network childminders.

## Free early learning for 2 year olds

**From September 2013, all two year old children that are eligible for free school meals and children looked after by the local authority are entitled to free early learning. Children become eligible the term after their second birthday, enabling smooth transition to the universal nursery entitlement at three.**

For further information about free early learning in Lambeth, please visit **[www.younglambeth.org](http://www.younglambeth.org)** email the Families Information Service at **[fis@lambeth.gov.uk](mailto:fis@lambeth.gov.uk)** or phone 020 7926 9558.
